

KMLObject

```
classDiagram
    KMLObject <|-- AbstractView
    AbstractView <|-- Camera
```

A UML class diagram illustrating inheritance. At the top is the 'KMLObject' class. Below it is the 'AbstractView' class, with an upward-pointing arrow indicating inheritance from 'AbstractView' to 'KMLObject'. At the bottom is the 'Camera' class, with an upward-pointing arrow indicating inheritance from 'Camera' to 'AbstractView'. All classes are enclosed in rectangular boxes with thick black borders.

AbstractView
