

KMLObject

```
classDiagram
    KMLObject <|-- Link
```

A UML class diagram showing a vertical inheritance relationship. At the top is a rectangular box labeled 'KMLObject'. At the bottom is another rectangular box labeled 'Link'. A vertical line connects the bottom of the 'KMLObject' box to the top of the 'Link' box, with an open arrowhead pointing upwards towards 'KMLObject', indicating that 'Link' inherits from 'KMLObject'.
